Principal's Message :

It is my great honour and privilege to welcome you to Birjhora Kanya Mahavidyalaya, Bongaigaon a renowned institution of higher education for women, affiliated to Gauhati University, Guwahati. The College was established in the year 1993 at the heart of Bongaigaon Town as a result of the noble effort of a group of educationally conscious people and ambitious philanthropist of this region. The noble objective behind this venture was to spread the essence of higher education among the women of this region of lower Assam. The endeavor has been enriched by some more objectives such as ensuring social justice to women, to curb gender discrimination and to empower women with quality education and thereby boost up them as a quality human resource irrespective of their caste, class, creed, religion and language. The college which started its journey with only 50 students and 7 teachers has to day grown up to and institute of excellence with more than 1500 students.

The college was accorded affiliation by Gauhati University, Guwahati and concurrence by the Govt. of Assam from the session 1997-1998. I feel proud to say that in its last glorious 32 years of long journey, the college has been imparting holistic and quality education to young women of this region through a wide range of scholastic and co-scholastic activities. Apart from providing the value based education synergized with modern teaching learning methods, we also focus on discovering and developing the inner abilities of the students to enable them to face the challenges coming in future in this ever changing world. By virtue of this endeavors, the college has now achieved a self-identity in the field of higher education and set itself as a premier women institution of higher education of Bongaigaon District as well as of lower Assam. With a bunch of highly qualified and experienced faculty members, our quest for excellence and innovation continues and our efforts of developing the institution is recognized by NAAC by grading B++ (2.82 CGPA) in the year 2022-23.

With the implementation of the NEP 2020 by Gauhati University the college has introduced Four Year Undergraduate Programme (FYUGP) which will enrich the students with experience based skill and value education required for their holistic development.
